

Pathway to learning Auslan

There is no single pathway to learning Auslan. Deaf Education Network has two streams of Auslan courses.

It is possible to commence studying Auslan in the *Certificate II in Auslan* course. However, it is recommended that you commence with *Community Auslan* courses (starting with *Sign Language 1*) to gain exposure to the culture and language of the Australian Deaf community before starting the accredited stream. This also provides students with a more solid foundation before commencing the intensive *Accredited Auslan* courses.

People who have existing Auslan skills may apply for Recognition of Prior Learning (RPL) or Credit Transfer to fast track their Certificate in Auslan training. For more information about RPL and Credit Transfer, or if you wish to discuss pathway options to best suite your needs, please contact DEN by emailing den@deaf.nsw.edu.au or by phoning **(02) 8833 3630**.
